Sourced from 100% estate-grown grapes in premium Marlborough vineyards adjacent to Cloudy Bay, this wine benefits from world-class growing conditions. Crafted by Alan McCorkindale, a two-time New Zealand Winemaker of the Year, it showcases remarkable balance and intensity.

Bright and expressive, this Sauvignon Blanc bursts with passionfruit, ripe citrus, and fresh herbs on the nose. The crisp palate delivers tropical fruit, juicy lime, and gooseberry, balanced by lively acidity and a clean, refreshing finish.

With a vibrant, aromatic, and structured profile, Seven Terraces offers exceptional value. Perfect as an aperitif or paired with fresh seafood, goat cheese, or summer salads, this wine is a must-try for Sauvignon Blanc enthusiasts.
